

Глава 15. Что у вас болит?
Chapter15. What hurts?

Interview 1

Translation:

Anya, do you see a doctor often?

No. This year I went only once?

Did you feel bad?

Yes, my head ached constantly.

And what did the doctor say?

She said that it was stress and that I need to rest more.

Interview 2

Translation:

Andrey, do you get sick often?

No, rarely. Maybe once a year with the flu.

Do you take any medicine when you're sick?

Of course.

And do you go to work?

No I don't, I stay home.
