Exercise 19-22.

First question: what kind of city do you think Moscow is?

Almost everyone answered that it is a very big city. In Moscow there are clean streets, large buildings, a lot of people and cars. There were also "original" answers, it's for example that they are not so many dynamics in Moscow and criminals as there are in Novocherkassk. And absolutely everyone thinks that Moscow is the most beautiful city in the world.

Second question: What (places) do you know in Moscow?

Absolutely everyone named Red Square and the Kremlin, two persons -- the White House and one person apiece named the Bolshoi theater, Theater Square, Tverskaya Street.

Third question: would you like to live in Moscow?

19 persons answered, "Yes, of course," and only one girl said, "No." She thinks a person should live where he was born and grew up.

Exercise 19-23.

Московское метро

Московское метро было построено в 1935 году. Сейчас в метро 170 станций и 12 линий.

Метро очень красивое. Старые станции – самые красивые: мозаика, картины, статуи. Туристы всегда смотрят метро, особенно интересные станции «Комсомольская-Кольцевая», «Площадь Революции», «Маяковская».
